

Poison Prevention 2010

Coloring Contest

All entries must be returned by March 31 with an official Entry Form.

Name _____

Grade _____

School _____

Polly Poison says “Be careful around the house!”

Many products from the kitchen, bathroom and garage can make you sick.
Find and color the pictures that you should never touch without help from an adult.
Don't color the products that are safe so Polly Poison knows you can tell the difference!

Be careful around the house!

**Cleaning products and medicines can be harmful;
don't handle these products without help from an adult.**

Poison Prevention 2010

Entry Form

Child's Name _____
